The fee for **Montana Residents is \$30.00** and **Non Residents is \$55.00** (both include a \$5.00 non-refundable application fee) and must accompany each application. The \$25.00/\$50.00 will be credited towards your float fee if you are a successful applicant. Unsuccessful applicants will receive a refund, unless you indicate below to donate your money to the Smith River Corridor Enhancement Account (CEA). The CEA is an account set up to use funds directly to protect the Smith River Corridor. If you are unsuccessful and choose to donate your money to the CEA, you can still use that money as a credit to float during the 2007 season if you end up floating with a permit holder.

If you are successful in obtaining a permit and fail to use or reschedule your permit credit during the 2007 float season, your fee will not be refunded. Successful permits are non-transferable and non-refundable.

If you drew a permit successfully last year and did not float and did not properly cancel you are not eligible to apply this year.
